

ELIZABETH ROSE

2023 ROSÉ WINE NAPA VALLEY

VINEYARD NOTES

Our Rosé is skillfully crafted from a harmonious blend of three organically cultivated grape varietals: Cinsault, Grenache, and Syrah. The Cinsault and Grenache grapes, both aged 13 years, thrive on a 2-acre parcel within our esteemed Rock Cairn Vineyard, nestled in the heart of Oakville, Napa Valley. Meanwhile, the Syrah vines were meticulously planted in a 5-acre block back in 2003, gracing our Block House Vineyard in Yountville, Napa Valley. It's worth noting that all three of these exceptional grape varietals are cultivated using organic farming practices, ensuring that each harvest is optimized for the production of our exquisite Rosé.
