2022 GHOST BLOCK SINGLE VINEYARD CABERNET SAUVIGNON YOUNTVILLE • NAPA VALLEY

VINEYARD NOTES

Ghost Block Vineyard is one of Napa Valley's most distinctive sites, resting along the eastern slope of Yountville Hill and adjacent to the historic George C. Yount Pioneer Cemetery. Millions of years ago, a dramatic shift in the Vaca Mountains exposed layers of ancient volcanic rock, creating the foundation for this remarkable vineyard. The east-facing vines enjoy gentle morning and afternoon sun, balanced by cool evening breezes and early fog from San Pablo Bay. This combination allows the fruit to ripen slowly and evenly, developing both concentration and freshness. Farmed organically by our family for generations, Ghost Block Vineyard produces Cabernet Sauvignon with depth, elegance, and a true expression of its storied land.

TASTING NOTES

Beautiful aromas of blackberry compote, plum jam, and black & red current are complemented by subtle notes of crème de cassis and vanilla. The first sip coats your palate with silky tannins and delicate layers of bramble fruit to offer a well-balanced, approachable, and polished wine. The oak complexity of the wine is integrated amongst the black & blue fruits, with the lovely notes of warm fall spices and savory thyme. The refined tannins accompany these flavors for a medium bodied finish. This Cabernet is crafted to enjoy now, yet will continue to develop greater character and complexity if cellared through 2038.
